What NEEDS to be done

- **The more you help our team raise money, the less you have to pay later.**
- Realize that the missing amount of money needed to go to trips is gonna come out of **YOUR** wallet!
- Also anyone is welcomed to donate straight to the club, and if they want, it can be anonymous. **MORE** you give now, the **LESS** you have to pay and everyone else can also save a lot of money.
- Sell Merchandise or tell your friends to buy our merch such as the sweatshirts, duffle bags, portable chargers, etc.. Also participate in bake sales. *How?* Donate food, ask your friends to help purchase stuff, etc..
